Dear Sir,

LETTER OF INVITATION

We hope this letter finds you well.

We want to deeply appreciate your organisation for your dedication and support to help MSME grow and thrive in Nigeria. We also appreciate your contribution and support towards our Enterprise Development training. With your support, we have been able to train 68 participants in the **ILO; Start Your Business Module** between 15th April and 19th April 2024.

We would like to formally invite you to attend the official **Grant Giving Day** of the **MRDC Enterprise Development Program** that is scheduled to be held on **Friday 7th June 2024**. During this event, we will be showcasing the 68 Start-up businesses that were trained within the one-week training period using the **ILO-SYB** training program. We will also be presenting to the grants to start their expected businesses. It will be an exciting opportunity to get an exclusive preview of the project and its economic impact.

We believe that your presence at this event is pivotal in sharing our message with your audience and the broader community.

It would be a delightful honour to have you as a special guest at this epoch event.

Kindly let us know all you would need to make your presence at the event seamless.

Thank you for your attention, and we hope to see you there.

Yours Faithfully
